GLOSSARY

ADMISSIONS

New Admission: a felon convicted in Washington State Superior Court and entering prison for the first time in this state.

Readmission: a felony offender with a previous history of incarceration in Washington State who will be serving a sentence with a new minimum term established. This includes offenders whose parole or community custody has been revoked who may or may not have a new crime.

Other: includes boarders (offenders with a sentence of one year or less who are in the custody of the Department of Corrections under agreement with county jails), community custody violators, and felony offenders from other states who are serving a portion of their sentences in a Washington State facility. This also includes offenders detained while awaiting a community custody violation hearing.

CAPACITY

The capacity is the operational bed capacity of a facility. It is determined by summing the number of inmate days on IR (In-Residence), EL (Escorted Leave), CO (Court Order), and CJ (County Jail), then dividing by the number of days in the month. ADP subtotals may not add due to rounding and is reported as of the end of the reporting month.

COMMUNITY CUSTODY /CC VIOLATOR

Community custody is the portion of an offender's sentence served in the community after confinement, where controls are placed on their movements and activities by the Department of Corrections. Community custody may follow prison or jail confinement. A community custody violator is an offender who does not comply with terms of community sentence and receives a violation resulting in a confinement sanction.

COUNTY OF CONVICTION

The county of conviction/admission is the county in which the offender is sentenced. In the case of multiple crimes, the county of the most serious crime is given.

DRUG OFFENDER SENTENCING ALTERNATIVE (DOSA)

A sentencing alternative for drug involved offenders that has treatment requirements and a shorter than non-alternative sentence length.
